General Ledger Interface

General Ledger Interface

Online Employer's General Ledger Interface provides you—or your accountant—online access to payroll data with every payroll. You instantly save time, reduce errors, and increase flexibility with the General Ledger Reporting tools available though Online Employer.

Benefits of Online Employer General Ledger Interface include:

- One time set up to map your accounts to your payroll.
- Flexible solution to chart total net pay or each paycheck.
- Distribute payroll expenses to multiple accounts and/or departments.
- Improves accuracy – no double data entry.
- Direct online access by you, your accountant or auditor.
- After each payroll, we will instantly generate a file to provide electronic payroll data that you can apply directly to your general ledger.
- No third party involvement to apply payroll data to your general ledger.
